book, visitor should call us for more help.

A Philosophy of Education by Charlotte M. Mason Charlotte Mason, a British educator in the early 1900s, explains her own philosophy of education in this book. (Hence, the title!) In a nutshell, she advocates introducing children's minds to ideas via great books without the interference of a teacher to interpret or pre-digest the material. What is the Charlotte Mason Method? The Charlotte Mason method is based on Charlotte's firm belief that the child is a person and we must educate that whole person, not just his mind. So a Charlotte Mason education is three-pronged: in her words, "Education is an Atmosphere, a Discipline, a Life." AmblesideOnline's Annotated Charlotte Mason Series Charlotte Mason loved the way it illustrated her concept of the Holy Spirit gifting men with knowledge, even "secular" knowledge. Volume 1: Home Education Six lectures by Charlotte Mason's about the raising and educating of young children (up to age 9) written for parents and teachers.
